It was carried out by inspectors from Ofsted, the Care Quality Commission (CQC) and His Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS).

2.2 Though the inspection identified several strengths and good practice across services. It also identified several areas of concern, predominantly within health services (Torbay and South Devon NHS Foundation Trust (TSDFT) that require urgent attention.

2.3 The JTAI Written Statement of Proposed Action presents a high-level plan on how work is being conducted to address issues identified in the inspection, report progress to partner agencies and provide assurance that improvements have been achieved and embedded into practice.
