Standing Order E14 – General Exception

Temporary Accommodation Sufficiency Implementation

On 10 May 2022, the Cabinet is due to recommend to the Council Meeting being held on 17 May 2022, proposals to address the critical need to access accommodation for the provision of temporary accommodation for families in Torbay

It will be a key decision but it has not been published in the Forward Plan issued on 18 March 2022 e.g. 28 days before the decision is due to be taken. It was published in the Forward Plan on 29 April 2022.

A delay in reaching a decision in relation to the provision of temporary accommodation for families would prejudice the Council's and the public's interest and have a negative impact on families who find themselves homeless. In light of this it is impracticable to defer the decision until it has been included in the Forward Plan for 28 days.
