Dear Shawn,

Thank you for the E-mail. As far as your request concerning data I may hold regarding carrying passengers between certain dates I do not have any information to furnish you with.

Sadly, due to personal circumstances I have not been able to work for 2 years. I was evicted from my home of 23 years and there was more than one death in the family. This was all very traumatic and I felt unable to work.

I have ~~kept~~ kept my badges up-to-date in the hope of returning to work in the not too distant future - a job I have always enjoyed.

Hope this helps.
