### **3. Proportionality**

- 3.1 Ideally the composition of the Committee will provide representation from all parts of the harbour and relevant areas of expertise.
- 3.2 The Harbour Committee is appointed by the Council each year at the Annual Council meeting. The Committee shall be politically balanced and will include specific membership, as far as the proportionally rules allow, as set out the Committee's terms of reference (Schedule 4 of this Constitution) In addition, the Harbour Committee will appoint up to 6 non-voting external advisors.

## **10. Consultation**

10.1 In light of the overall and specific objectives of the Committee, it is important that, at all times, a balance is struck that respects all stakeholders (not just one group). In achieving this the Committee will take into account what constitutes the common good for all stakeholders (current and future) and the harbour itself. This will ensure that the needs and views of both beneficiary and non-beneficiary stakeholders are not overlooked or discounted. This balance is met by ensuring a representative of

the Committee is a member on the Harbour Liaison Forums and by the Harbour Committee receiving the minutes of the Harbour Liaison Forums (as referred to in paragraph 8.3 above).
