Members and officers have been considering the impact of the significant reductions to government grant and, as a result of these reductions, the Council is faced with a number of difficult decisions to ensure services can be delivered within a much reduced financial resource base compared to previous years. The proposals have been set in recognition of the need to ensure resources are prioritised in accordance with agreed plans but mindful of the further reductions to local government grant.

The Cabinet wishes to hear the views of all Members of the Council, the Overview and Scrutiny Board and external stakeholders together with specific service users on their proposals before finally recommending a budget to the Council in February 2021.

Councillor Steve Darling proposed Councillor Cowell seconded a motion, as set out above which was agreed unanimously by the Cabinet.
