He emphasised that Torbay is open for business and supports the robust repair of the existing rail routes and sea defences to provide a reliable rail line that people have confidence in for many years to come.

121 Petition objecting to Torbay Council budget cuts which will close Factory Row homeless hostel and other vital supporting people projects

In accordance with Standing Order A12, the Council received the petition objecting to Torbay Council budget cuts which will close Factory Row homeless hostel and other vital supporting people projects (approximately 3,000 signatures). Following its original submission, approximately 68 further signatures were received. At the invitation of the Chairman, Mr Pannell addressed the Council.

The Council considered the petition.

It was proposed by Mayor Oliver and seconded by Councillor Thomas (D):

The Council took into account and responded to the comments raised through the budget consultation process on the proposed cuts to supporting people, and highlighted in the submitted petition containing in excess of 3,000 signatures, when it set the Revenue Budget for 2014/15 at the adjourned Council meeting held on 13 February 2014. This included providing just under £500,000 additional transitional funding to supporting people to support the Leonard Stock Centre, Jatis, the Foyer and Stone Court. Therefore the Council believes it has done as much as it can in difficult financial times to support the vulnerable people of Torbay and that no further action be taken on the petition.

An amendment was proposed by Councillor Ellery and seconded by Councillor Stockman:

To refer the petition to the Overview and Scrutiny Board for further consideration.

On being put to the vote, the amendment was declared carried.

The substantive motion (to refer the petition) was then before Members for consideration.

On being put to the vote, the substantive motion was declared carried.

123 Members' questions

Members received a paper detailing the questions, as attached to the agenda, notice of which had been given in accordance with Standing Order A13.

Verbal responses were provided at the meeting. Supplementary questions were then asked and answered in respect of questions 3 and 7. Councillor Thomas (D) advised that he would provide a written response to the supplementary question arising from question 8.

That there are 1,459 households identified as in housing need on the Torbay Home Choice Register. On average there are 350 allocations per year in Torbay through this register.

From the statistics from Office of National Statistics 2012:

131 Review of Torbay's Allocation Policy

Members considered the submitted report on a review of Torbay's Allocations Policy which would enable better management of the waiting list and expectations for access to Social Housing in Torbay which is in very limited supply.

The Chairman advised that the views of the Overview and Scrutiny Board had been circulated on 24 February 2014. During his proposal speech Councillor Thomas (D) responded to the recommendation of the Overview and Scrutiny Board. He advised that there was no merit in including their recommendations within the Allocations Policy as it was more in line with the Housing Strategy which was due to be refreshed from 1 April 2014.

It was proposed by Councillor Thomas (D) and seconded by Councillor Bent:

That the Devon Home Choice Policy be amended in Torbay from 1 April 2014 as follows:

1. Band E applicants will be removed from the register and only those applicants in Bands A-D will be eligible for social housing in Torbay.
2. Applicants who have not bid for 12 months, or turned down three reasonable offers will be removed from the register. This will be applied as of 1 April 2014.
3. A 5 year residency test will be applied as part of the qualification criteria, requiring the applicant (or member of the applicant's household) to have lived within Torbay for 5 years.

In addition other qualification criteria will apply to ensure that applicants who are not currently resident in the district/area but who can demonstrate a strong association to the local area will be able to qualify (e.g. through family association or employment).

This is defined as:

Need to work in Devon. The Local Government Association guidelines define this as employment other than of a casual nature. For the purposes of this policy this will be defined as having had permanent work with a minimum of a 16 hour contract per week for the previous 6 months, and without a break in the period of employment for more than three months.

Have family connections in Devon. The Local Government Association guidelines define this as immediate family members (parents, siblings and nondependent children) who have themselves lived in the area for five years.

To ensure we maintain the protection provided by the statutory reasonable preference criteria and the statutory guidance. Exceptions to the 5 year residency test will be:

- Existing Social housing tenants, in Devon. (to promote downsizing);
 - Members of the Armed Forces and former Service personnel, where the application is made within five years of discharge;
 - Bereaved spouses and civil partners of members of the Armed Forces leaving Services Family Accommodation following the death of their spouse or partner;
 - Serving or former members of the Reserve Forces who need to move because of a serious injury, medical condition or disability sustained as a result of their service;
 - People who are assessed as being within the reasonable preference categories – Bands A , B , Emergency and High Housing Need, as per the DHC Policy. (This includes those fleeing violence and Statutorily Homeless); and
 - Applicants requiring Sheltered Housing (represents 1/3 rd of all annual lets);
4. The allocation policy is amended to enable the Council to prioritise working households in areas of high unemployed households and where there is an evidenced need, via a local lettings plan.
 5. The Allocation Policy is amended to state the Council can introduce an Annual Lettings Plan (this will be informed by the monitoring of location, types and length of tenancies over a 12 month period and Transfers).

An amendment was proposed by Councillor Darling and seconded by Councillor Pentney:

That the Council goes out to further public consultation on the revised Torbay Allocation Policy due to the poor level of public engagement.

On being put to the vote, the amendment was declared lost.

The original motion was then put to the vote and declared carried.

Torbay Child Poverty Commission "Torbay Gains" report and recommendations.

Decision Taker

Mayor on Thursday, 27 February 2014

Decision

- (i) That the Council adopt and endorse the recommendations set out in the Torbay Child Poverty Commission Final Report "Torbay Gains", as set out in Appendix 1 to the submitted report;
- (ii) that an action plan be formulated which the Health and Wellbeing Board hold responsibility for its implementation;
- (iii) that the Child Poverty Commission be recalled on an annual basis to review progress and to hold the Health and Wellbeing Board to account; and
- (iv) that in light of the aspirations contained in the Torbay Child Poverty Commission "Torbay Gains" report, the Corporate Plan be revised to ensure that it aligns with the corporate elements of the report and a revised Corporate Plan be presented to the Council in September 2014.

Reason for the Decision

To provide a basis for everyone who lives or works in Torbay to play a part in shaping the future and improving the opportunities and wellbeing of families and children in poverty.

Implementation

This decision will come into force and may be implemented on Wednesday, 12 March 2014 unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

Information

Torbay Council supported the Child Poverty Strategy "A Call for Action" in July 2012. As a priority first step the Strategy proposed the establishment of an independent Commission to collect and hear evidence which would add new voices, experiences and to build upon the initial findings, needs assessment and actions.

The Commission is chaired by independent child poverty expert Michelle Kennedy, who has worked across government and with Local Authorities and partners to implement and support better outcomes for families in poverty.

It is hoped that this Final Report of the Commission will provide a basis for the leaders of Torbay and partners to play a part in shaping the future of the borough and improving the opportunities of some of the most disadvantaged families. It is intended that Torbay Council through the Health and Wellbeing Board, will work with key partners such as the Mayor, Torbay Development Agency Community Development Trust and Clinical Commissioning Board to use

the work of the Child Poverty Commission and its recommendations to inform their corporate planning and annual budget setting processes.

The Mayor supported the recommendations of the Council made on 27 February 2014, as set out in his decision above.

Local Enterprise Partnership (LEP) Strategic Economic Plan

Decision Taker

Mayor on Thursday, 27 February 2014

Decision

- (i) that the themes and priorities set out in the draft Strategic Economic Plan be endorsed as a sound basis for the final Strategic Economic Plan, establishing Torbay's support for the document and its aims; and
- (ii) that the Executive Director of Finance and Operations be authorised, in consultation with the Mayor and Group Leaders, to approve the final Strategic Economic Plan.

Reason for the Decision

The Heart of the South West Partnership is a critical partner for the Council and a strong economic plan for the Local Enterprise Partnership (LEP) will increase the opportunities to secure funding for support of the economic strategy and individual projects supporting the economic growth of Torbay.

Implementation

This decision will come into force and may be implemented on Wednesday, 12 March 2014 unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

Information

The allocation of national government's economic growth funding has changed over the past two years, with the Government devolving responsibility and funds for driving economic development to Local Enterprise Partnerships (LEPs).

Various existing sources of Government funding are being combined into a single local growth fund into which LEPs must bid. As part of this process LEPs must demonstrate how they plan to deliver growth in their area. This needs to be articulated in the form of a Strategic Economic Plan (SEP). The LEP has submitted a draft SEP to Government, with the final plan due for submission at the end of March.

The Mayor supported the recommendations of the Council made on 27 February 2014.

Torbay Council Employing Apprentices Strategy

Decision Taker

Mayor on Thursday, 27 February 2014

Decision

That the Council support and formally adopt the Apprentice Strategy, as set out in Appendix 1 to the submitted report.

Reason for the Decision

The adoption of the Strategy would have a positive impact on youth unemployment within Torbay and the Council would be creating apprentice employment opportunities.

Implementation

This decision will come into force and may be implemented on Wednesday, 12 March 2014 unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

Information

Whilst Torbay Council does employ Apprentices, it does not have a formal approach to recruitment and opportunities for Apprentices remains low. Human Resources wishes to work with Business areas to increase the number of Apprentices with a clearly defined target, namely identifying Apprentice opportunities and developing key skills that the workforce of the future will require. The introduction of a formal Employing Apprentices Strategy for Torbay Council will support the Council in its role as Corporate Parent and demonstrate its commitment in terms of Corporate Social Responsibility in giving priority to hard to reach groups such as those leaving care and NEETs in the 16-24 year age group.

The Mayor supported the recommendations of the Council made on 27 February 2014, as set out in his decision above.

The Future of The Nest Nursery, Brixham

Decision Taker

Mayor on Thursday, 27 February 2014

Decision

Should the received bid not meet the mandatory procurement requirements, the Director of Children's Services be authorised to consult on the proposed closure of The Nest Nursery, Brixham. The consultation would propose that the Nursery closes on the 31 August 2014.

Reason for the Decision

Without a successful procurement outcome the Nursery will continue to require a financial subsidy from the Children's Services budget. The Children's Services budget needs to prioritise financial resources to ensure statutory functions are being met. The direct delivery of a Nursery provision by the Local Authority is not a statutory function.

Implementation

This decision will come into force and may be implemented on Wednesday, 12 March 2014 unless the call-in procedure is triggered (as set out in the Standing Orders in relation to Overview and Scrutiny).

Information

The Nest Nursery continues to require an on-going budgetary subsidy from Children's Services (£40k per annum). To remove the budget subsidy the Local Authority has engaged in a tendering exercise with the intention of transferring the Nursery to an external provider. The Council has received one bid from a potential service provider which needs further evaluation to ensure it meets the mandatory procurement requirements.

The Mayor supported the recommendations of the Council made on 27 February 2014, as set out in his decision above.
