Torbay Council

Forward Plan of Key Decisions

Explanatory Note

Torbay Council is required to publish a Forward Plan of all key decisions to be taken in the following four months. The first Plan became effective on 1 March 2002. It is updated monthly and is available at least 14 days before the beginning of each month.

Although Government regulations suggest that Key Decisions should only refer to Executive functions, Torbay Council has decided that those Council functions that would have been a Key Decision if they were to have been decided by the Mayor will also be included in the Forward Plan. This will include changes to the Council's Policy Framework and decisions that are not in accordance with the Council's Budgetary Framework.

The Regulations define a key decision as a decision that is likely to:

- (i) result in incurring expenditure or making of savings which are significant; or
- (ii) be significant in terms of its effects on communities living or working in the area.

The Council has produced comprehensive criteria to define "significant" and these are set out on the following page.

The Forward Plan consists of a brief description of the decisions that are to be made, (listed under the themes on which the Community Plan is based) followed by pages that give a fuller description of each of those matters. The Council has decided that the vision and the Community Plan themes should be adopted as the Council's vision and priorities. Where an issue does not directly link to one of the themes it will refer to 'corporate support', which aims at improving service deliver, efficiency and quality.

Copies of the documents referred to in the Forward Plan may be obtained by contacting the Democratic Services Section by telephone (01803 207064), email (democratic.services@torbay.gov.uk) or post (Town Hall, Castle Circus, Torquay, TQ1 3DR).

The Forward Plan is available free of charge on request from the Democratic Services Section of Torbay Council and is available for inspection at the Connections offices in Torquay, Paignton and Brixham. It is also available on the Council's website (<http://www.torbay.gov.uk/forward-plan>).

Gordon Oliver
Mayor of Torbay

Definitions of "significant"

Expenditure and savings

A proposed decision shall be regarded as a Key Decision by way of “**incurring expenditure or making of savings which are significant**” if any one or more of the following apply:

- (1) In the opinion of the Chief Finance Officer, there is likely to be a budget variation (other than one within a Business Unit) of more than £250,000;
- (2) In the opinion of the Chief Finance Officer, it is likely to result in capital expenditure above that provided for in the capital programme and it is likely to involve an additional call on the Council’s internal resources of more than £250,000;
- (3) In the opinion of the relevant Commissioner, the decision is likely to have a material effect on Council services, including where:
 - (i) an existing service will be reduced by more than 10 per cent or will cease altogether;
 - (ii) a service which is currently provided in house will be outsourced (or vice versa); or
 - (iii) a partnership will be entered with a third party which is likely to involve a material element of risk transfer to the Council;
- (4) The proposal involves the acquisition or disposal of land having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (5) The proposal involves the disposal of a capital asset (other than land) having a value estimated by the Chief Finance Officer to be likely to exceed £250,000;
- (6) Where in the opinion of the Executive Head of Human Resources the proposal is likely to result in compulsory redundancies or major changes to the terms and conditions of employment of 100 or more employees across the Council’s functions;

Effect of communities

A proposed decision shall be regarded as a Key Decision by way of being “**significant in terms of its effects on communities living or working in the area**” if the relevant Commissioner, in consultation with the relevant Cabinet Member, considers that it ought to be included in the Forward Plan having regard to all the circumstances including the following principles:

- (1) A decision may affect a great number of people, or a number of wards, but not significantly and these decisions shall **not** normally be regarded as key;
- (2) A decision that has a significant impact on communities living or working in only one ward will normally be treated as a Key Decision e.g. a school closure or the introduction or amendment of traffic calming measures;
- (3) Where a decision is only likely to have a significant impact on a very small number of people in one ward it will **not** normally be key. But the people affected should be informed of the forthcoming decision in sufficient time for them to exercise their rights to see the relevant papers and make an input into the decision making process;

- (4) Consideration should be given to the level of public interest in the decision. The higher the level of interest the more appropriate it is that the decision should be considered to be key.

Our Pledges

Working for a healthy, prosperous and happy Bay

- **Sympathetic regeneration**
- **Boosting local employment**
- **Protecting vulnerable children and adults**
- **A cleaner, greener, healthier Bay**
- **Expansion of our tourism and heritage offer**
- **A safer Bay**
- **Value for money**

Acquisition of Torbay and Southern Devon Health and Care Trust (formally Torbay Care Trust) by an NHS Foundation Trust and the commissioning contract for Adult Social Care

Torbay Council to date has successfully provided for adult social care through an integrated model of health and social care which has had national acclaim. As part of the ongoing reforms of the NHS the former care trust are now in a position to be 'acquired' by another NHS Foundation Trust through a technical acquisition process. Council are asked to consider if they wish to continue to commission adult care through a new Foundation Trust in order to continue to provide a joined up system of health and social care for local communities in the Bay.

Wards affected:	All Wards
Consultees:	Mayor and Councillor working group, NHS commissioners, Care Commissioning Group and Scrutiny members
Means of Consultation:	Circulation of papers, presentations.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler) Chief Operating Officer / Director of Adult Services - Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults; Value for money
Key Opportunities:	Commissioning Adult Social care through a new NHS Foundation Trust provider will provide further opportunities to build on integrated social and health care and provide opportunities for further innovation for the benefit of local communities against the background of constraints in public sector budgets-this may provide prospects for services to be delivered differently and within our future resource plans.
Key Risks:	The risk is that any NHS Foundation Trust 'bidder' may not be able to meet council requirements for service delivery/future budget constraints and alternative provision may need to be made.
Type of Decision:	Key Decision Council

Decision Maker:	Council
Intended Decision Date:	14 May 2013

Adult Social Care - Fees for Care in The Bay 2012/13 and 2014/15

The provision of residential care in care homes for local people is a key aspect of the provision of adult services as commissioned as part of a range of services through the Torbay, Southern Devon Health Care Trust (formally care trust). The fees for residential care have been subject to ongoing local dialogue with care home representatives and this decision would agree the fee based on evidence of the cost of care up to 2015 in order to give care homes the ability to plan and sustain a quality local market of provision. The decision will also guide our approach to future calculation of the costs of care in consultation with care home providers.

Wards affected:	All Wards
Consultees:	Torbay Care Quality Forum, all care homes in the bay, NHS providers and commissioners.
Means of Consultation:	Circulation of papers, presentations, series of meeting, direct communication with all care homes in the bay by letter.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Adult Social Care and Older People (Councillor Christine Scouler), Executive Lead for Finance and Audit (Councillor Alan Tyerman) Chief Operating Officer / Director of Adult Services - Caroline Taylor
Corporate Priority:	Protecting vulnerable children and adults; Value for money
Key Opportunities:	To provide a sustainable and quality offer of provision for residential care in the bay, allowing care homes to plan and respond to changing needs and expectations with more people supported at home for longer.
Key Risks:	The risk of ongoing challenge to fees and the disruption of the market which is a key part of the provision of social care.
Type of Decision:	Key Decision Council
Decision Maker:	Council
Intended Decision Date:	6 Feb 2013

Capital Investment Plan Budget 2013/14 to 2016/17

To approve the Capital Plan Budget for 2013/2014 to 2016/2017.

Wards affected:	All Wards
Consultees:	Overview and Scrutiny Board
Means of Consultation:	Traditionally the Mayor will request the Overview and Scrutiny Board to consider options for new capital investment and potential additions to the Capital Plan, in the light of projected resources, in January 2013. However, Council approved a four year allocation in February 2012, therefore there is no need to approve a new Capital Investment Plan for 2013/14. The Overview and Scrutiny Board and Council will continue to receive quarterly update reports which will include any new funding announcements or new capital pressures.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Finance and Audit (Councillor Alan Tyerman) Chief Operating Officer / Director of Adult Services - Caroline Taylor Executive Head of Finance - Paul Looby
Corporate Priority:	All corporate services
Key Opportunities:	To review the use of capital resources for investment in line with the Council's identified priorities, as set out in the Corporate Plan and Community Plan.
Key Risks:	The main risks associated with reviewing the Capital Plan Budget are the robustness of estimates of likely resources, realistic assumptions of costs and therefore the effect on service provision of not undertaking certain high priority projects.
Type of Decision:	Budget Decision Council
Decision Maker:	Council
Intended Decision Date:	13 Feb 2013

Clennon Valley Cycling Facilities

To enter into a partnership with British Cycling to provide an outdoor velodrome and off road cycle track at Clennon Valley, Paignton. The facility would require match funding of £800,000 but would be the South West's Centre of Excellence for Cycling.

Wards affected:	Goodrington with Roselands
Consultees:	Ward Councillors, British Cycling, Sustrans, Cycling Clubs
Means of Consultation:	Meetings and circulation of draft business case.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Safer Communities and Transport (Councillor Robert Excell) Director of Place and Resources - Charles Uzzell Executive Head of Residents and Visitor Services - Sue Cheriton
Corporate Priority:	A cleaner, greener, healthier Bay; Boosting local employment; Expansion of our tourism and heritage offer; Sympathetic regeneration
Key Opportunities:	This will be a key facility for cycling within the South West with the nearest similar facilities being in Bournemouth and Newport. The facility will provide training facilities for cycling and allow off road training for young cyclists. The facility can also be used for racing events. The off road track can also be used for other sports such as wheelchair racing, roller blading, jogging or model car racing.
Key Risks:	The cost of running the facility could be a revenue pressure in future years. Soft market testing has indicated that the income should cover running expenses but may not be enough to cover the capital repayment costs. Cost of construction could be higher than expected however, the works are reasonably low risk.

Community Sport and Recreation in Brixham and Churston

To consider alternative options for meeting the communities need for sporting and recreation facilities in the Churston and Brixham area.

Wards affected:	Berry Head with Furzeham; Churston with Galmpton; St Marys with Summercombe
Consultees:	Local Community Partnerships Sports Clubs Ward Councillors The Neighbourhood Forum
Means of Consultation:	The issue has been discussed at the Churston & Galmpton with Broadsands Community Partnership, The Brixham and Churston Neighbourhood Forum, Brixham Town Council and it will be the subject of further community consultation. Meeting with all sports clubs affected have or will be held and the Torbay Sports Council will be consulted. The Torbay Coast and Countryside Trust have been consulted.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Safer Communities and Transport (Councillor Robert Excell) Director of Place and Resources - Charles Uzzell Executive Head of Residents and Visitor Services - Sue Cheriton
Corporate Priority:	A cleaner, greener, healthier Bay; Value for money
Key Opportunities:	To consider two alternative options that both aim to provide additional sporting and recreation facilities to meet the needs of the local community. The alternative option that members are asked to consider involves selling a minor part of land previously allocated for sport use at Brokenbury for housing so as to fund the delivery of an environmental and farm shop scheme on the remaining land at Brokenbury and better overall environmental, tourism and sporting facility outcomes elsewhere.

Key Risks:	There is a risk that if the alternative land that is to be acquired for the delivery of the proposed sports pitches cannot be used for that purpose that there may be a loss of provision for sports facilities in the community.

Corporate Plan 2012 - 2015

The Corporate Plan articulates at a strategic level the key priorities and actions the Council will undertake in the short to medium-term, including those activities that deliver its responsibilities within the current Community Plan.

Wards affected:	All Wards
Consultees:	Overview and Scrutiny Board
Means of Consultation:	Meetings and circulation of papers.
Documents to be considered:	There are currently no documents published. All documents will normally be published at least five clear working days before the meeting. Where documents are not available five clear working days before the meeting, the documents will be published at the same time as they are made available to the decision maker.
Responsible Executive Lead and Officer:	Executive Lead for Business Planning and Governance (Councillor Ken Pritchard) Chief Operating Officer / Director of Adult Services - Caroline Taylor Executive Head of Business Services - Mark Bennett
Corporate Priority:	All corporate priorities
Key Opportunities:	The Plan will clearly identify the priorities the Council intends to deliver during the lifetime of the document. Torbay's community will be able to see how successful the Council has been as well as the further challenges that remain in delivering its priorities.
Key Risks:	A key risk is that the Corporate Plan for 2012 - 2015 will not meet the priorities of residents. To overcome this risk consultation results will be used to help inform the development of the Council priorities. A further risk is that, once the Corporate Plan is agreed, the Council does not deliver against the priorities that have been identified. To mitigate against this, monitoring arrangements will be put in place to ensure that the plan is delivered. This will include using the Balanced Scorecard approach to monitor against key projects and performance indicators.

Joint Health and Wellbeing Strategy

The Council and the South Devon and Torbay Clinical Commissioning Group must, through the Health and Wellbeing Board, agree a Joint Health and Wellbeing Strategy.

The Joint Health and Wellbeing Strategy sets out how organisations in Torbay will work together to meet the needs identified in the Joint Strategic Needs Assessment. It explains what the health and wellbeing priorities are in Torbay and how joint action will be taken to make a real impact on people's lives.

Once agreed, the Strategy will be used to inform the commissioning plans of the Council, the Clinical Commissioning Group and the NHS Commissioning Board.

Responsible Executive Lead and Officer:	Executive Lead for Tourism and Environment (Councillor Jeanette Richards) Director of Place and Resources - Charles Uzzell Executive Head of Tor Bay Harbour Authority - Kevin Mowat
Corporate Priority:	Value for money
Key Opportunities:	The project would make further improvements to harbour facilities and infrastructure. It should also increase the occupancy rate and improve access to boats which in turn allows for better maintenance and quality of craft using this part of the harbour.
Key Risks:	There is a risk that the harbour account may not be able to meet the cost of the prudential borrowing. However, a financial sensitivity analysis has been undertaken. There is a risk that the inner harbour half-tide cill could fail and boats moored on the new pontoons would subsequently sustain damage if the water level fell too low. To mitigate against this risk the inner harbour half-tide cill is the subject of a clear planned maintenance regime which includes regular underwater inspections. Furthermore, harbour staff are trained to operate emergency procedures, with an alternative power pack in the event of a power failure.
Type of Decision:	Key Decision Council
