

Changing Rooms and Playing Fields, White Rock Playing Fields, Davies Ave,
Paignton

Supplementary Information

Torbay Council currently manages White Rock playing fields and changing rooms. The facilities are currently being tendered for use by a sports club, with the successful tenderer entering into a sports lease agreement with Torbay Council, providing use and occupation of the playing fields and changing rooms. Such a lease will enable the club to attract funding for modernising and improving the facilities. The playing fields will remain open and accessible to the public for the duration of the lease.

Due to the playing fields being considered Open Space, there is a requirement on Torbay Council under the Local Government Act 1973 to advertise this leasehold disposal and seek comments and objections to the loss of open space.

The purpose of the notice is to provide an opportunity for members of the public to object to the loss of open space.
