- 2.2 The Strategy is a legal requirement for the Council and is required to publish a strategy informed by a homeless review of its area, at least every 5 years.
- 2.3 The Strategy will better inform our communities, stakeholders and members about what the Council and its partners are doing about local homelessness priorities and issues.

- 1.1 The Homelessness and Rough Sleeping Strategy is the over-arching strategic document focusing on the activities to address homeless in Torbay. It sits within the Council's policy framework and provides the context for other plans policies and strategies, such as the Housing Strategy and the Domestic Abuse and Sexual Violence Strategy.
- 1.2 The report will replace the existing Homeless and Rough Sleeping Strategy 2020-2025. Since the development of the current Strategy, produced before the pandemic, there have been significant changes within the landscape of housing and homelessness. As such the document reflects the current needs within Torbay and housing market.
- 1.3 An evidence review was undertaken to support the development of the strategy and is contained within a sperate document. This allows the strategy to be more focused and succinct.

- 5.4 Elected members were invited to all workshops and a dedicated session undertaken addressing all forms of homeless, to seek input into the development of the strategy.

6. Procurement Implications

- 6.1 It is not anticipated that the Homelessness and Rough Sleeping Strategy itself will require the purchasing or hiring of goods and/or services.
