

Council Meeting

5 December 2013

Notice of Motion Developing a Tourism Bid (Mayoral Decision)

This Council notes the success of the English Riviera Tourism Company in promoting tourism and raising standards of tourism in the bay.

This Council also notes the significant financial stress that Torbay Council faces in the next few years.

In light of the above, this Council opposes the development of a bay wide Business Improvement District and will instead establish a Tourism Business Improvement District for Torbay to ensure the long term financial stability for the English Riviera Tourism Company.

Proposer: Steve Darling

Seconder: Ruth Pentney
