

**Extract from Minutes of the Clinical Governance “Quality Committee”
approving the Clinical Governance Framework – 12 August 2015**

“12.0 Public Health Clinical Governance Framework

12.1 NT presented the new Public Health Clinical Governance Framework for the information and comments of committee members. The committee approved the document as fit for purpose within the existing clinical governance structures. The next step for ratification of the document will be local authority adoption, and sign off from the Mayor and the elected member with portfolio responsibility for public health.”
