

Public Question – Council 7 April 2016

To Mayor Oliver:

What, if any, consultation took place with the tourism industry, nearby residents and businesses, given that there was no consultation with the Community Partnerships, in regard to the suitability of the Parkfield site to be the location for Torbay School?

Do you accept that members were unable to fulfil their fiduciary responsibilities due to the absence of a business plan or budget for Parkfield and what has changed from February 2015 when the council agreed for Torbay School to be located at Barton?

Submitted by Darren Cowell and Colin Hurst
