Appendix AM-G Procedure for determining applications for grants to offset market rent (grants in lieu of rent)

July 2016

Introduction

All applications for grants to offset market rent (grants in lieu of rent) should be made to the Executive Head of Business Services by completing the Application Form attached to this procedure.

The estimated market rent assesses the lease value against other similar leases (i.e. sports leases) across the South Devon area. An estimated market rent will take into account whether the landlord or tenant has the liability for the cost of maintenance and what income generating facilities are at the disposal of the tenant. i.e. a club house & bar, private car parking, etc. The estimated market rent would also reflect the restrictive nature (sports use only user clause) of the lease and the level of the security of tenure.

Applications will be considered for any period up to the next scheduled rent review but that period should not exceed five years. Any grant application below a cumulative value of £25,000 (of foregone income) will be considered and determined by the Council's officers in the form of the Senior Leadership Team. All applications for grants in excess of five years or with a cumulative value of £25,000 or more will be passed to the Council for determination.

The Senior Leadership Team and/or Council will use the criteria set out below when considering an application for a grant to offset market rent (i.e. a grant in lieu of rent).

If a grant is rejected by the Council's Senior Leadership Team then the applicant can take their case to an Appeals Committee made up of Councillors.

The Council will not normally offer grant support to tenant organisations whose activities do not support one or more of the 'Targeted Actions' within the Corporate Plan.

The Council will not normally offer grant support to tenant organisations that are not affiliated to or are a member of a recognised national body/voluntary organisation. This requirement is included to ensure that a tenant organisation has an appropriate constitution with associated rules & regulations. It also means that the tenant would be required to follow best practice in such matters as safeguarding, protecting young children, inclusion and financial probity; it will also help to prevent discrimination and promote equality. Consequently, it is expected that the tenant organisation will have the relevant policies for such matters and can therefore demonstrate a corporate social responsibility.

Tenant organisations will need to supply a set of annual accounts and it may be necessary to supply audited accounts and/or accounts for more than one year. The Council may also request to see a medium term financial forecast to evaluate whether or not the organisation is financially sustainable.

Criteria for assessing applications for grants to offset market rent (grants in lieu of rent)

1. Do the activities or services provided by the tenant organisation contribute to the Council's Corporate Plan?

(The Council will not normally offer grant support to tenant organisations whose activities do not support one or more of the 'Targeted Actions' within the Corporate Plan)
2. Is the tenant organisation affiliated or a member of a national body ?

(The Council will not normally offer grant support to tenant organisations that are not affiliated or are a member of a national body/voluntary organisation. This is to ensure that the tenant organisation has proper oversight and governance at a national level, such that it can follow best practice in such matters as safeguarding, financial probity and equality)
3. How many residents of Torbay benefit from the services provided by the organisation ?
4. What is the level of benefit received by those users of the organisation ?
5. How well does the organisation promote social inclusion ?
6. Would the Council need to provide the services if they were not provided by the organisation ?
7. How much other funding will the organisation be able to access if the Council provides a grant ?
8. What mechanisms are in place for working in partnership with other organisations?
9. How much effort is made towards self-help, especially in the form of local fundraising and grant applications ?
10. How far is the organisation able to become self-supporting over the period of the grant?
