

Agenda Item 13, Revenue Budget Proposal 2012/2013

Liberal Democrat Group Amendment

Adjourned Council Meeting

8 February 2012

Proposed Amendment:

That the Council objects to the cuts to the service provided by PLUS. Whilst recognising the need to make financial savings in this sensitive area and with the full knowledge of the cuts by Torbay Care Trust in Day Care for vulnerable adults, assurance is needed of how and where these adults needs are to be met before considering support being taken away from PLUS.

Proposer: Councillor Davies

Seconder: Councillor Darling
